# The Haramain are the target...

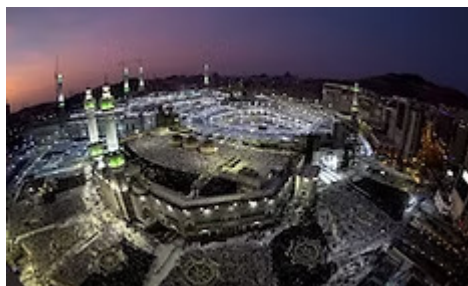

Updated: Feb 24, 2024

بسم الله الرحمن الرحيم

*All praises are due to Allah ﷻ who is the Owner of the Day of Judgement, the Controller of the affairs of Dunya and Akhirat, the Granter of Victory and Defeat, the Bestower of Honour and Disgrace. To Allah ﷻ alone belongs the dominion of the heavens and the earth and He is not unaware of the oppression of the oppressors and the cry of the oppressed.*

*Abundant and choicest salutations be upon the best and most honored creation of Allah ﷻ, our Nabi, the Final Nabi ﷺ, whom every other Prophet performed salaah behind, in the mubarak land of Quds at Masjidul Aqsa.*

*May Allah ﷻ destroy the occupiers of Quds and Falasteen and restore the authority of the holy lands to the sincere and upright Muslims. Aameen*

The real objective of **World War 1 was to destroy the Islamic Khilafat**

The period between WW1 and WW2 was then used to demoralise the muslim world and introduce secular rule and thinking into the muslim lands, replacing the study of Quran and sunnah with that of science and philosophy. This was most pronounced in Turkey itself where the khilafat was based.

The effort was to change the minds of the muslims to ready them to accept the ideology of Dajjalayat

The real objective of **World War 2 was to take full control of Masjid Al-Aqsa** and the mubarak lands surrounding it, in preparation for Dajjal's arrival

The period between WW2 and WW3 was then used to spread immorality in the world by denigrating patriarchy and polygyny and the other salient features of Islam, and instead promoting pornography, prostitution and LGBT etc, and it was used to embed the ideas of liberalism, feminism, modernism and interfaith ideology, and thereby pave the way for a one world religion, to be led by Dajjal.

It was also used to castrate the ummats fervor for jihad so that the ummat could never rise up again to stand against the tyranny of the oppressors, and the distortion of Islam. Various methods were used such as the "terrorism" label, supporting deviant groups and creating infighting amongst muslims throughout the world.

The effort was to change the physical actions of the muslims to turn them into dunya oriented spineless cowards, and make them ready to wholeheartedly accept the one world religion of Dajjal

The second phase in this period was the phase of the rapid rise in tech, media, ai, robotics etc, occurring over the past 40 years, which are necessary for Dajjals plans to reach fruition.

The final objective of **World War 3, is to take over and destroy the Haramain Shareefain**. Makkah Mukarrama and Madeena Munawwara. This third world war has already started, but it has not yet reached its peak

You will not find this in the books of history, as it is a hidden and concealed agenda, that is why it is even more important to realise and understand the machinations of the agents of Shaytaan, our open enemy, in order to properly prepare based on the ahadeeth, and to recognise who the real enemies of Islam are and what their planning is.

Allah ﷻ says in the Quran that there are enemies you do not know, but Allah ﷻ knows who they are. And Allah ﷻ also speaks about their planning in secret, we don't know what they discuss and plan, but Allah ﷻ knows and Allah ﷻ is the best of planners, and it is Allah ﷻ who reveals their plans to His pious servants. May Allah ﷻ make us from amongst them. Aameen

My objective is not to go into detail into the real historical aspect of the previous wars but only to point out how we are being duped by a false narrative and don't realise what their true objective has been all along, even though we know that the main actor in this game is Shaytaan who has stated that his primary purpose is to mislead mankind, so that we are deprived of ever going back to the Jannah that our grandfather Adam (AS) was removed from.

يٰۤاٰدَمُ لَا يَفْتِنَنَّكَ الشَّيْطٰنُ كَمَا اَخْرَجَ اٰبَوَيْكَ مِنَ الْجَنَّةِ يَتَزَعُّ عَنْهُمَا لِِبَاسَهُمَا لِيُرِيَهُمَا سَوْءَٰهُمَا ۗ اِنَّهُ يَرٰكُمْ هُوَ وَقَبِيْلُهُ مِنْ حَيْثُ لَا تَرَوْنَهُمْ ۗ اِنَّا جَعَلْنَا الشَّيَاطِيْنَ رِجَالًا مِّنْ دُنٰى لِّلَّذِيْنَ لَا يُؤْمِنُوْنَ ۚ ۝۲۷ A'raaf -

*O children of Adam! Do not let Shaytaan deceive you like how he got your parents out of Paradise causing their clothes to be removed in order to expose their nakedness. Surely he and his tribe watch you from where you cannot see them. Surely, we have made the shaytaeen the helpers of those who disbelieve.*

Allah ﷻ informs us clearly in this verse what Shaytaans purpose is, for this, Shaytaan has been given the power of the armies of the world, the media and influence, and other tools at his disposal,

وَأَسْتَفْزِرُّ مِّنْ أَسْتَطَعْتَ مِنْهُمْ بِصَوْتِكَ وَأَجْلِبْ عَلَيْهِم بِخَيْلِكَ وَرَجِلِكَ وَشَارِكُهُمْ فِى الْأَمْوَالِ وَالْأَوْلَادِ وَعَدَّهُمْ ۚ وَمَا يَعِدُهُمُ الشَّيْطٰنُ إِلَّا غُرُورًا ۚ ۝۶۴ Israa

*And incite whoever you can of them with your **voice**, mobilize against them all your **cavalry and infantry (armies)**, join (manipulate) them in their **wealth** and **children**, and make them **(false) promises**." But Satan promises them nothing but delusion.*

but it will not have an effect on the pious servants of Allah ﷻ who hold steadfast to the rope of Allah ﷻ and are prepared to give their lives for the preservation of Islam:

إِنَّ عِبَادِى لَيْسَ لَكَ عَلَيْهِمْ سُلْطٰنٌ ۚ وَكَفَىٰ بِرَبِّكَ وَكِيلًا  
Israa ٦٥

*(But) You will truly have no authority over My "faithful" servants. And sufficient is your Rabb (O Believers) as a Guardian*

So, when you see the **confluence of oppressive armies** and the **media propoganda**, and the **financial system** and **educational system** aligning against Islamic principles and lands, then know that these are the armies, and the voice of shaytaan, and in this aakhir zamaan, these are the armies of Dajjal.

To illustrate my point that **the objective of WW1 was to destroy the khilafat**, here are some key enlightening facts:

Before WW1, the Ottoman empire started to have internal problems that were **created by Shaytaani forces, including shias** and other groups who were supported by these shaytaani European forces. This meant that the ottomans were dealing with their own issues when world war 1 started, and **were not interested in taking sides in the war**. They were influenced however to get involved as this was the covert plan from the beginning, to get the ottoman empire to take a side and then **support the enemy to destroy the ottoman empire and therefore the khilafat in the process**. To do this, various **fake**

**attacks were staged** to get the ottomans involved, which finally succeeded with the Goeben and Breslau incident in which two German ships sought refuge in the Ottoman empire.

- The entire incident was a **carefully orchestrated plan** by shaytaans cronies to drag the Ottoman Empire into the war on the side of the Central Powers. By having the Goeben and Breslau in Ottoman waters and under Ottoman flags, Germany could use them as a tool **to provoke Russia** (and by extension, the Allies) and create a situation that would **force the Ottomans to abandon their neutrality**.
- The subsequent actions of Goeben and Breslau, now under the Ottoman flag, indeed led to a confrontation with Russia. On October 29, 1914, they launched a raid on Russian ports in the Black Sea, **leading Russia to declare war on the Ottoman Empire**. This act is seen by some as a deliberate provocation, engineered by Germany, to secure Ottoman entry into the war.

The bottom line is that World War 1 which started in 1914 was **officially engineered to end the Islamic Khilafat in the world**, which officially ended on the 3rd of March 1924, approximately 100 years ago, or

103 years ago according to the Islamic calendar

This was not sufficient however, and the **next target was Masjid Al-Aqsa and the mubarak land of Al-Quds**. The proof that World War 1 was engineered for these goals is that already in 1917, the Balfour declaration was made which aimed at **establishing a home for the Jews in Palestine**. This revealed the true nature of World War 1, as to achieve this it was necessary to destroy the khilafat. This declaration was sent from the British government to Lord Walter **Rothschild**, a leader of the British Jewish community, for transmission to the Zionist Federation of Great Britain and Ireland.

**World War 2 was to finish what they had already started via the Balfour declaration**, that is why after World War 2, the most significant event that occurred was the **declaration of the State of Israel**, what is referred to as the nakba, the "disaster"

At that time hejaz was not of much interest to them, except to destroy the Ottoman khilafat from within, by supporting the Saud family against Ottoman rule. Later though when oil was discovered it became more important, but there was no need to do anything as the Saudis were already their puppets.

Now it is apparent to the one who knows the **hidden agenda** that **their aim is Makkah and Madinah itself**, because after the khilafat, this is the only thing holding Muslims together and giving them hope and motivation, and they are using the **same tactic once again to draw the Saudis into the war so that Makkah and Madinah can be attacked**. They already have their own players within the Saudi regime who are on their side and they have the **shia groups who people foolishly think are on the side of the Palestinian cause and "heroes of Islam"**.

Don't be fooled, the **shia and the Zionist yahood are one nation**, with one objective, to destroy Islam. The shia "religion" was started by a Jew who posed as a muslim and it is based on Jewish books, they are the same ilk.

On more than one occasion the same Shia Houthi rebels who are being lauded today, **fired rockets towards Makkah itself**, once in 2016 and another time in 2019, so don't be fooled by their apparent support for the Palestinian Muslims, they are just another piece in the game being played out.

حَدَّثَنَا مَنْصُورُ بْنُ أَبِي مُرَاجِمٍ، حَدَّثَنَا يَحْيَى بْنُ حَمْرَةَ، عَنِ الْأَوْزَاعِيِّ، عَنْ إِسْحَاقَ، بْنِ عَبْدِ اللَّهِ عَنْ عَمِّهِ، أَنَسِ بْنِ مَالِكٍ أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ " يَتَّبِعُ الدَّجَالُ مِنْ يَهُودٍ أَصْنَبَهَانَ سَبْعُونَ أَلْفًا عَلَيْهِمُ الطِّيَالِسَةُ

In a hadeeth of Sahih Muslim quoted above it says that "*The Dajjal would be followed by seventy thousand Jews of Isfahan wearing Persian shawls.*"

What does this hadeeth mean? Allah ﷻ knows best. My personal opinion is that the hadeeth is not informing us about something that we will obviously notice. It is rather telling us something that we will not realise immediately.

What is being exposed to us by Nabi ﷺ is that when we see a large group of people coming from Isfahan (in Iran) following a leader who claims to be the saviour of the ummat, then know that **these people are actually Jews**, and **the person they are following is Dajjal**. The fact that Nabi ﷺ included the use of the tayalees in this hadeeth could also indicate to this, that we are being shown how to recognise them. The tayalees can either refer to the common shawl worn by the jews shown below:

or it can refer to the common green scarf worn by the shias like this one at an ashura festival in **Isfahan**:

### The next world war and the events that may occur

Before I go into this topic I want to emphasise that **only Allah ﷻ knows what will happen and when it will happen**. We can only look at events around us, consider them in the light of Quran and Ahadeeth and **recognise possible matches** and then offer an opinion on what may happen. Only Allah ﷻ is the Knower of the unseen.

**We are undoubtedly living in the aakhir zamaan** of this world. Right now we are in the **beginning of World War 3** and approaching the **malhama kubra** wherein 99 out of 100 will die, and when we understand that the seemingly "powerful" and large armies of the world are **shaytaans armies**, we have to then recognise what the real plan is.

**To destroy Islam and Imaan,**

as has always been the aim of shaytaan and his friends (cronies)

The true muslims however were always a **small group, less equipped** and who fight with the **assistance of Allah ﷻ** as opposed to the latest tech and weapons. And **this group will always be in the umma** as per the hadeeth of Nabi ﷺ that there will always remain a group in the ummat who stand firm upon the Haqq and who will not be affected by those who ridicule them or oppose them.

These hadeeth appear in a number of ways in the books of hadeeth, one such hadeeth is detailed below:

فقد قال عبد الله بن الإمام أحمد: وجدت بخط أبي، ثم روى بسنده إلى أبي أمامة قال: قال صلى الله عليه وسلم: "لا تزال طائفة من أمتي على الدين ظاهرين، لعدوهم قاهرين، لا يضرهم من خالفهم إلا ما أصابهم من لأواء، حتى يأتيهم أمر الله. وهم كذلك"، قالوا: يا رسول الله وأين هم؟ قال: "ببيت المقدس وأكناف بيت المقدس" وأخرجه أيضا الطبراني . قال الهيثمي في المجمع ورجاله ثقات

*A group from my ummat will continue steadfastly upon Deen, (they will be) **triumphant over their enemies**, those who oppose them will not be able to cause them harm (to their cause) **except difficulty and hunger**, until the decree of Allah ﷻ comes to pass (and they attain either victory or martyrdom) while they are in that state. The Sahaba (RA) asked: Where are they? He ﷺ replied: **Baytul Maqdis and the lands surrounding Baytul Maqdis***

Currently we are seeing multiple conflicts playing out which are all part of a **grand scheme to bring the entire world into** the next world war, **a nuclear war**, designed to drastically **reduce the population of the world** and establish dajjal as the world leader, for which makkah and madinah have to be destroyed.

Don't be in any doubt that their **ultimate aim is to attack muslims all over the world** and **surround and besiege the haramain**. This is why Dajjal will go to every city with his fitnah and this is why he will also encamp outside Madinah.

In the hadeeth of Nabi ﷺ it comes:

حَدَّثَنَا سَعْدُ بْنُ حَفْصٍ، حَدَّثَنَا شَيْبَانُ، عَنْ يَحْيَى، عَنْ إِسْحَاقَ بْنِ عَبْدِ اللَّهِ بْنِ أَبِي طَلْحَةَ، عَنْ أَنَسِ بْنِ مَالِكٍ، قَالَ قَالَ النَّبِيُّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ "يَجِيءُ الدَّجَالُ حَتَّى يَنْزِلَ فِي نَاحِيَةِ الْمَدِينَةِ، ثُمَّ تَرْجُفُ الْمَدِينَةُ ثَلَاثَ رَجَفَاتٍ، فَيَخْرُجُ إِلَيْهِ كُلُّ كَافِرٍ وَمُنَافِقٍ

*Dajjal will come and encamp at a place close to Medina and then Medina will shake thrice whereupon every Kafir (disbeliever) and hypocrite will go out (of Medina) towards him*

This place has already been prepared as pictured below:

What will be the purpose of this? It most likely means that **Dajjal and his army** will encamp and besiege Madinah **as part of its attack on the haramain**. This is why angels will be placed to protect Makkah and Madinah, at that time the munafiqeen and kuffaar will flee because of the tribulations and "shaking" that will occur when Dajjal encamps outside. This shows that the true aim of shaytaans armies that we are seeing today are to **destroy the cities of Makkah and Madinah**, they are only waiting for their leader Dajjal to start the advance.

The people of the world at this time have **become aware that the yahood are the instigators**, so an elaborate plan is already underway to change that perception. It involves the **fake coming of Isa (AS) who will actually be the Dajjal**, as the hadeeth mention that first Dajjal will claim to be Isa (AS). This imposter Dajjal, whom the world will believe in, will perform miracles just as Isa (AS) did, healing the sick, reviving people from the dead and more, such as causing it to rain, making the crops grow and removing hunger and poverty.

The yahood will be his main followers, people will take him as "God" just as they already do with Isa (AS). The majority of the world will fall for it as he will go to every **city, except for the people of true Imaan**, who will be granted the ability to **recognise him** as Dajjal, through their **recitation of Surah Kahf** and

their **taqwa**, staying away from evils and keeping the company of the pious. They will be **forced to flee the Dajjal** and his tribulation for the sake of **preserving their Imaan**, until they **reach the mountains** where they will **rear sheep, grow their own food** and remain in the **ibaada of Allah ﷻ, deeni ta'leem** and living a life of **pure sunnah** until Allah's decree comes to pass.

Multiple ahadeeth indicate towards this such as the hadeeth in Tirmidhi:

لَيَفِرَنَّ النَّاسُ مِنَ الدَّجَالِ حَتَّى يَلْحَقُوا بِالْجِبَالِ. قَالَتْ أُمُّ شَرِيكٍ: يَا رَسُولَ اللَّهِ فَأَيْنَ الْعَرَبُ يَوْمَئِذٍ؟ قَالَ: هُمْ قَلِيلٌ

*"Most definitely the people will flee from the Dajjal until they settle in the mountains..."*

Remember that according to the hadeeth **Dajjal cannot be fought or defeated or argued with**, that is why the **only option will be to flee** his fitnah, **to avoid losing ones Imaan**. The **Mahdi will appear before Dajjal** and he will lead the muslim armies and be victorious, then the Dajjal himself will appear after which **Isa (AS) will descend to destroy the Dajjal**.

*(The Ulama have mentioned many reasons that Isa (AS) is necessary to kill Dajjal, it comes to my mind also in addition that because Dajjal will present himself as Isa (AS), only the real Isa (AS) will be able to destroy this fitnah. The hadeeth mention that Dajjal will "melt" upon the sight of the real Isa (AS))*

**Dajjal will not be successful in his ultimate aim of destroying Makkah and Madinah** but many will be deceived by him and lose their Imaan. May Allah ﷻ save us. Makkah and Madinah will remain as long as there are muslims, but when Islam and Imaan disappears completely then the kaba will be broken down brick by brick according to the hadeeth, and Madeena will be completely deserted, and the temple of idols will be built again in baytul maqdis and the people will return to idol worship, and upon them Allah ﷻ will destroy the world and start qiyamah.

There are many more ahadeeth that can be discussed that are relevant to this zamaana we are living in. The primary aspect is to realise that **we are living in a time of great fitnah**, and there is a real **danger to our Imaan and the Imaan of our children**, with the demoralisation of society, the interfaith movement, the monetary and educational control and corruption of Islam by the modernists, feminists and liberalists, and we need to make the effort now to break the chains of slavery that are upon us and establish our places of safety, which as per the hadeeth of Nabi ﷺ are in the mountains, **not in the cities**.

- We need to return to **growing our own food** by rearing sheep, growing crops as is encouraged in the hadeeth and was the practice of Sahaba (RA)
- We need to **keep horses for the purpose of Jihad** as is encouraged in the hadeeth of Nabi ﷺ:

الْخَيْلُ مَغْفُودٌ فِي نَوَاصِيهَا الْخَيْرُ إِلَى يَوْمِ الْقِيَامَةِ الْأَجْرُ وَالْغَنِيمَةُ

*It was narrated that Jarir (RA) said:*

*"I saw the Messenger of Allah ﷺ twisting the forelock of a horse with his two fingers, and saying: 'Goodness is tied to the forelocks of horses until the Day of Resurrection: Reward and spoils of war.'"*

- We need to **train ourselves and our future generation in archery** and other skills of fighting and war as this is a command of Allah ﷻ in Quran:

وأعدوا لهم ما استطعتم من قوة ومن رباط الخيل

(Surah Anfaal: 60)

*"And make ready against them (the enemies of Islam) power and bridled horses"*

Nabi ﷺ said regarding the word قوة (power) in this verse that it means shooting. However the ulama say that it will include **training in all aspects of warfare**.

- We also need to strongly **resist the modernist ideologies of feminism and liberalism** that have been ingrained into us via the media and are destroying our deen from the inside and turning the ummat into dayyooth and cowards and giving rise to the evils of LGBT, zinaa and immorality in our societies and instead we must return to and develop a love for every sunnah of our Nabi ﷺ whether we understand it or not.
- **We should not be apologetic for our deen** or try to make it match to kuffaar, man made ideals of "humanity" and "correctness". Islam is not about equality of the genders, **it is about justice**. Islam is most definitely a religion of the sword, the **sword that upheld justice in the world** and fell **upon the neck of the oppressors**.
- **We should not be shy about it** or any other aspect of our pure deen and we should make an effort to **implement every ayah of Quran and every Sunnah** of Nabi ﷺ with the fervor of اطعنا و اطعنا , We hear and We obey, whether we understand or don't understand, whether we agree or disagree, whether the kuffaar like it or not

**When we become upholders of the Haqq then we will receive the help of Allah ﷻ.**

May Allah ﷻ give us the ability to realise and make amal upon the hadeeth of Nabi ﷺ in this regard.

Aameen
