

Advices of Ulama South Africa

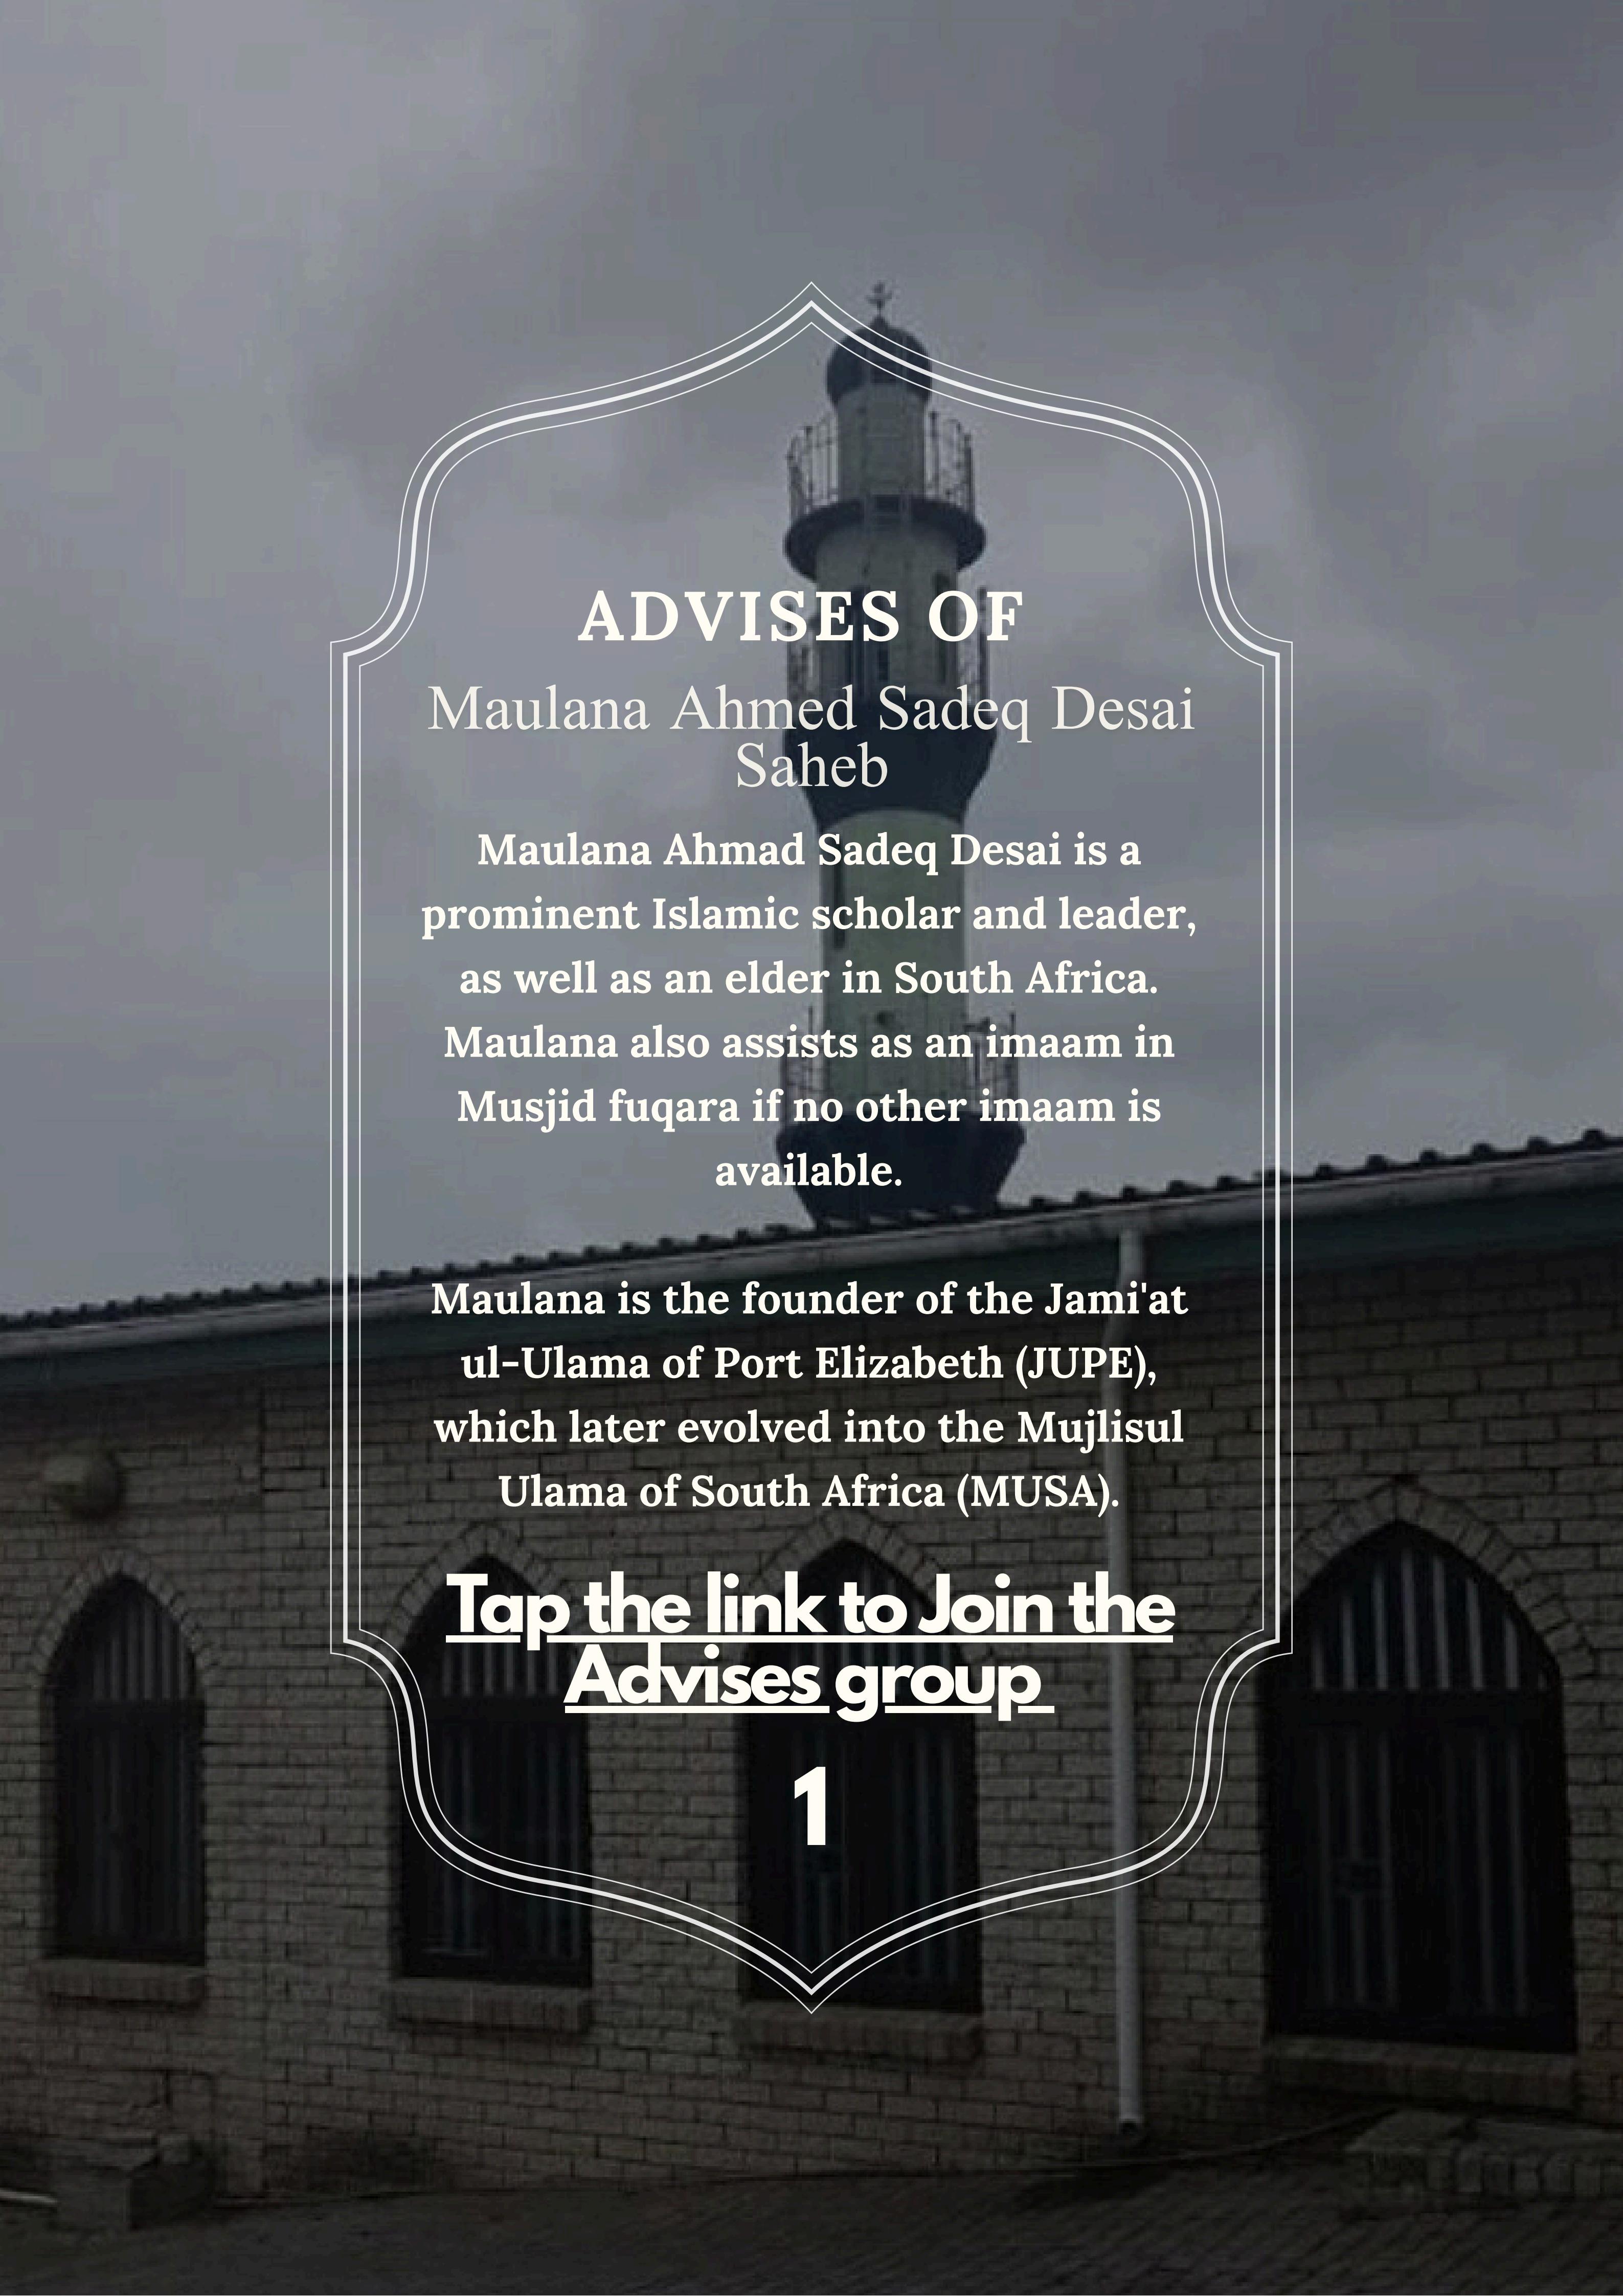

Advices of Ulama South Africa

is an initiative from the founder of Tullaab-Ul-Haq (Students of Truth). We aim to keep alive and share the pure Deen, which is spoken by our current elders in South Africa.

These group platforms are dedicated to spreading the advice, Malfoozat, Fatawa, and programs of great Ulama of South Africa, who are still with us and have left us. We aim to keep their sacrifices and work of Deen alive; we mainly focus on sharing the clips only.

Please note that every week, we will post one Bayaan of each Alim or Mufti. In this way, people will have time to listen to this priceless advice.
