إِنَّ اللَّهَ وَمَلَائِكَتَهُ يُصَلُّونَ عَلَى النَّبِيِّ

يَا أَيُّهَا الَّذِينَ آمَنُوا صَلُّوا عَلَيْهِ وَسَلِّمُوا تَسْلِيمًا

﴿Indeed, Allāh confers blessing upon the Nabī, and His angels [ask Him to do so]. O you who have believed, ask [Allāh to confer] blessing upon him and ask [Allāh to grant him] peace﴾

[al-Aḥzāb: 56]

عَلَيْهِ  
سَلَامٌ

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

All praise is for Allāh ﷻ, the Creator and Nourisher of the Universe. May His choicest salutations and blessings be upon our leader and master, the seal of the *Anbiyā'*, the greatest of the creation, *Sayyidunā Muḥammad Rasūlullāh* ﷺ.

*Ṣalawāt*, i.e., *Durūd Sharīf* is one of the most unique and blessed forms of worship. It is great, it is blessed, and it draws countless of mercies upon those who recite it.

The *Durūd Sharīf* collection of Shaykh Abū ‘Abdillāh Muḥammad b. ‘Abdir-Raḥmān al-Jazūlī رحمه الله has acquired widespread acceptance and popularity in many parts of the world. It would also be recited by millions of people in the *Ḥaramayn Sharīfayn* and countless Muslims have witnessed and continue to witness and experience the

wonderful blessings of reciting this book.

*Shaykh al-Hind Mawlānā Maḥmūd Ḥasan ad-Deobandī* ﷺ would recite the *Dalā'il al-Khayrāt* very passionately in the jails of Malta, as reported by *Mawlānā Sayyid Ḥusayn Aḥmad al-Madanī* ﷺ.

*Hājī Khalīfah* ﷺ describes this work to be a sign from the signs of Allāh ﷻ.

Looking at the length of the work and the weakness of many people, Allāh ﷻ blessed us with the tawfīq to gather 40 forms of Ṣalawāt, i.e., *Durūd Sharīf* and some of the magnificent *ad'iyah* of the great compiler, so that it would be easier to complete in a few minutes.

Under the guidance and counsel of *Mawlānā Shabbīr Aḥmad Saloojee dāmat barakātuhū*, we have put this brief work together for the *iṣāl ath-*

*thawāb* of Rasūlullāh ﷺ, the blessed family of Sayyidunā Muḥammad Rasūlullāh ﷺ, the glorious Ṣaḥābah رضي الله عنهم, the *Shuhadā'*, and the illustrious 'Ulamā' of the *Ummah*.

This brief work should serve to build interest, enthusiasm and desire to recite the full version. Furthermore, we hope that it serves to create waves of waves of love for the greatest of humanity, Sayyidunā Muḥammad Rasūlullāh ﷺ, the beloved of Allāh ﷻ and the best of the creation.

May Allāh ﷻ accept from us and all those who have helped and contributed to the publication of this booklet. Their great reward will be with Allāh ﷻ, Who rewards in abundance and the best of ways.

It is our intention and desire that this book be shared with all Muslims,

distributed in the *Masājid*, *Makātib*, and *Madāris*, with the hope that every man, woman, youngster, and child will read it passionately with the hope of gaining the intercession of *Sayyidunā Muḥammad Rasūluḷlāh* ﷺ.

## Introduction

All praises are for Allāh ﷻ; He has honoured the rank of *Sayyidunā* Muḥammad, the Noble Messenger. He (Allāh ﷻ) made him special with *ṣalāt* upon him, and he commanded us with it in the Noble Qurʾān. He favoured us with the bounty of following the merciful *Nabī*, He made the legacy (of *Rasūlullāh* ﷺ) beloved to us through the ages. Allāh ﷻ specified those of this field with beautiful characteristics and tremendous virtue. He made them the closest to his Messenger, the great leader, by their abundance of writing, reading, and listening to *ṣalāt* and *salām* upon him ﷺ.

O Allāh, send blessings and peace upon *Sayyidunā* Muḥammad, his family, and companions; those who possess far-reaching virtue, perpetual *ṣalāt* & *salām*

whose light brightens the ends of the pitch-black night.<sup>1</sup>

To proceed, this is a collection of forty forms of *Ṣalāt ‘alan Nabī* ﷺ, I have selected them as a litany for myself, and for whoever Allāh ﷻ desires amongst humanity – from *Dalā’il al-Khayrāt wa Shawāriq al-Anwār fī Dhikr aṣ-Ṣalāt ‘alan Nabī al-Mukhtār* ﷺ of Imām al-Jazūlī ﷺ, with the great hope of visiting the greatest of beloveds in this world, and desire for his intercession in the hereafter.

I ask Allāh ﷻ, through the intermediary of his *Nabī* ﷺ, to accept my small effort, there is no *Rabb* but He. We do not call on anyone but Him, upon Him do I place my trust, I hand my affairs over to him and depend on him.

## ❖ Concluding Du'a' ❖

O Allāh, through your grace, forgive the compiler, shower mercy upon him, and include him in the group of the Ambiyā, and Şiddīqīn when they will be raised on the Day of Qiyāmah, O the Most Merciful from all that display mercy.

O Allāh, bestow us with clear recognition, grant us correct and upright dealing between us and you – upon the Sunnah, amongst the guided group. (Bestow us) with true reliance upon you, beautiful thoughts of you. (Bestow us) with all that which will grant us proximity to you, accompanied by forgiveness in this world and the hereafter. O the Rabb of the Universe. Allāh is sufficient for us, may peace be upon his selected servants, peace be upon the Mursalīn, and all praise is for Allāh, Rabb of the Universe.

‘Abdul Qādir al-Jīlī ﷺ ❦

O Allāh, indeed I am overpowered, so help me, lend support to my broken heart, gather my scattered thoughts, indeed you are overpowering, powerful. Suffice for me, O the Sufficer, for I am a needy servant. Allāh is sufficient as a guardian and Allāh is sufficient as a helper. Indeed, polytheism is great oppression. Allāh does not intend oppression for his servants. The past of the oppressive nations has been cut off, and all praise is for Allāh, Rabb of the Universe.
